Steve Connolly

We are pleased to announce that Steve Connolly has recently been appointed Managing Director for Sales & Lettings. Steve began his career in estate agency in 1988, and became a founder staff member of Vickery when it was formed in 1990. Over the years, as the company has grown and expanded, Steve has worked in all our office areas and was appointed to the Board of Directors in 2000.

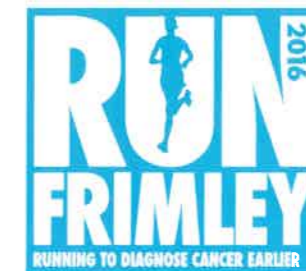

More recently, Steve's focus has been to facilitate the bringing together of sales & letting disciplines within the Vickery offices ensuring that all staff possess the knowledge required to offer a complete property service to all clients whether selling or letting.

Steve has also played a major role working with Specialist Property Lawyers, our conveyancing company in developing the unique and highly successful Vickery 'All in One' package - a service that combines the house sale, legal fees and energy performance certificate (EPC) within a single fee.

John Vickery, the company founder commented, "Steve has been a huge asset to our business, offering exceptional service levels to Vickery clients. In spite of two major recessions, Steve's business acumen and considerable work ethic have assisted our management team in developing our business over the last 25 years from a single branch sales office to a multi-disciplined agency," concluded John.

Six Years & Counting

Vickery are once again proud sponsors of Run Frimley 2016. This year is the 11th anniversary of the charities annual 10km road race and 2.5km fun run, and the sixth year in succession that Vickery have supported the event. "Frimley Park can't thank Vickery enough," said Sally McLaren, Fundraising Manager for the charity, "Your consistent support over the last six years has been instrumental in helping the event grow to seeing

more than 1,700 people taking part every year. Your sponsorship of the medals covers a core event cost, so that even more local peoples registration fees and 100% of their fundraising goes directly to help local patients" concluded Sally.

Launched in January 2015, **OnTheMarket.com** is the new and simple way to search for property. The site offers all potential buyers, sellers, landlords and tenants with an exceptional property search service. When you search **OnTheMarket.com** you will enjoy a cleaner, fresher and more focused approach, without any irritating adverts or unnecessary information.

We chose to list our clients' properties on **OnTheMarket.com** primarily as a result of the sites exceptional first year's trading performance, highlighted by total visits in excess of 6 million throughout January. A more specific benefit for sellers/landlords in the Surrey & Hampshire areas is the success the site is experiencing in the London market which we are certain will provide us with a unique opportunity to tap in to this important source of buyers.

Go to **OnTheMarket.com** we know you will be impressed. Our clients' properties are also listed on Rightmove.

Staff Member of the Year 2015

Each year Vickery staff cast a vote for the member of staff they feel has provided outstanding service, teamwork and consideration for colleagues. This prestigious award was presented to Stephen Down as the 2015 winner - Stephen has 10 years' experience in the industry of which seven have been working at Vickery in our Frimley, Camberley and Farnborough offices. Stephen is now enjoying considerable success as Manager at our Frimley office. He lives in Farnborough with his fiancée Clare and their young son and daughter. As well as spending time with his family Stephen is a keen runner and five-a-side footballer.

Well done Stephen!
