Portesbery School

On 8th July Portesbery School attended the annual Royal Logistic Corps show in Deepcut. Vickery provided 3 banners to help promote the stall at the event. The aim was to create awareness and links in the local community and also to raise funds for the school. The day was a tremendous success with both objectives met.

Portesbery School is an all age day school situated in Deepcut catering for children and young people with Severe Learning Difficulties (SLD).

If you are interested in supporting Portesbery school in any way please contact Emma Newman, Teacher and PTA member on 01252 832100.

Volunteer Drivers & Hosts Needed!

CONTACT THE ELDERLY

Supported by a network of volunteers, Contact the Elderly organises Sunday afternoon tea parties for small groups of older people aged 75 and over, who live alone, offering a regular vital friendship link every month.

Once a month, normally on a Sunday afternoon, each older guest is collected from their home by a volunteer driver and taken to a volunteer host's home where they join a small group for tea, talk and companionship. The group is warmly welcomed by different hosts each month, but the drivers and older guests remain the same. This means that over the months and years acquaintances turn into friends and loneliness is replaced by companionship.

Find out more about either volunteering with your car (we urgently need more drivers – for just 2 hours one Sunday a month), becoming a host, or if you are interested in joining the local group and attending tea parties please contact Kathy on 07740 362500.

Don't ask us!

Frimley Office

Tuesday, October 17, 2017

Having recently dealt with the Vickery Frimley office my wife and I would like to particularly praise the work of James Collet who we had the most contact with.

At all times his manner was professional, informative and friendly which we greatly appreciated. He is a credit to Vickery & Co and we wish him well in his career.

Lightwater Office

Wednesday, October 11, 2017

Once again a five star performance from Stuart and his team in Lightwater. No pushing and shoving to move things forward faster than I wanted to go, just gentle sensitive guidance and advice all tempered to match my personal situation and preferred pace of progression. I never felt like I was imposing on their precious time while seeking advice or asking questions, even the dozy ones! With these guys nothing is too much trouble, everything is handled in a relaxed but professional manner and there's always time for a cuppa and a chat when you're feeling anxious. Thank you so much Stuart, James and Charlie, there will always be a cuppa here if ever you are passing.

Farnborough Office

Wednesday, October 18, 2017

We found the Vickery staff at the Farnborough office to be polite, professional and efficient. They arranged several viewings within the first few days of our house going on the market and found us a buyer within the week.

Fleet Office

Tuesday, October 17, 2017

This is now the second time I have used Vickery & co for letting out my property and this is the second time they have let it in the first viewing! The tenants have moved in and I couldn't be more pleased. Adi from the Fleet office was extremely professional and provided us with first class customer service as he always does; keeping us updated and keen to help. I highly recommend Adi and Vickery if you are considering to let out a property.

Camberley Office
