Dear Michael

Many thanks for your letter of 8 April, and of course for the cheque for £100. Having incurred a lot of expense just recently this money was most welcome.

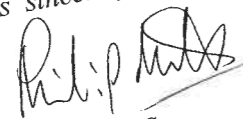

As you know we first started looking at houses in the Camberley area back in the autumn of last year. Over the months that followed we made contact with numerous agents in the area and viewed many properties.

In all our dealings with estate agents, mortgage advisers etc during this period we never met anyone as professional and thorough as any member of the team at Vickery in Camberley. Every person we have spoken to in your organisation has shown the utmost degree of courtesy, professionalism and attention to detail on every occasion. In particular I would like to thank Steven Connolly who, in my opinion, is a credit both to your company and to your profession for his level of patience, skill and understanding.

I really cannot give enough praise and I only ask that a copy of my letter reaches the desk of the Managing Director of Vickery and Company.

Once again many thanks for all your help, if the general population of Camberley are anything like your sales team we will enjoy living here very much.

Yours sincerely

PHILIP MILLS
