A VERY RARE OPPORTUNITY

Compass Point is Linden Home's newest development and is certainly one of the most desirable. A selection of two, three and four bedroom houses all traditionally built and with an outstanding specification providing for virtually every creature comfort. A lakeside setting bounded by woodland and homes to complement their attractive, natural surroundings, the development provides an extremely rare opportunity to acquire a new home in Mytchett. Just a few 2 and 3 bedroom houses are released for occupation in 1995. If you would like further information and a brochure, please telephone.

TOMORROWS SALES . . .

Colour makes a difference. We can offer our clients the ultimate way to present their properties. Utilising the latest technology, we can offer this service to all clients, no matter how large or small their property may be.

If you have viewed several properties in one day and then spent the evening trying to remember them, you will appreciate our floorplans. Much admired by buyers and sellers, floorplans have become an integral part of our marketing strategy.

P.H.H. relocate 40,000 families worldwide each year. In order to assist these people P.H.H. have created a nationwide network of over 500 independent agencies. We receive many referrals from agents all over the U.K. for people relocating to the local area. All network agents are considered by P.H.H. to be the best 5% in the U.K.

. . . BEING MADE TODAY

Estate Agents can either wait and hope to find purchasers, or set in place an on-going marketing strategy to create opportunities to make sales. In addition to colour details, floorplans and nationwide links through P.H.H. we also have three local offices, and a team of determined people who are not prepared to 'wait and hope'. In fact, the only thing we are waiting for is to hear from you.
