CAMBERLEY BEST EVER?

Sales agreed during March at our Camberley Office totalled the astonishing sum of just over £5 million. It is doubtful that this figure has ever been achieved before by a Camberley Agent in one month. "It is no coincidence that the last Edition of "Property Directory" delivery was completed towards the end of February. This combined with great team spirit no doubt contributed towards this exceptional result." commented John Vickery.

"I am very proud of our team, including those at our Bagshot and Lightwater offices who have contributed towards such a fabulous achievement. Although there are signs of more activity in the market place, this result has been brought about primarily through our hard work and marketing skills." concluded John.

BEHIND THE SCENES.

Most organisations have people who work "behind the scenes" doing jobs of great importance that sometimes goes unnoticed. In our business "For Sale and Sold Boards" are of vital importance to assisting the marketing of our clients properties. At any one time, we may have hundreds of boards in the area and of course they have to be carefully erected and removed on a regular basis. Jeff, our caretaker has worked for Vickery & Company for 5 years and can often be seen in our distinctive van touring the area. Jeff also acts as courier between the offices, and is able to solve a plethora of maintenance problems for us. Our thanks go to Jeff for his continued support.

PEOPLE NEWS...

Two important promotions within Vickery & Company have just been announced. Nigel Allen and Simon Vickery, both founder staff members have become Directors. "These well deserved appointments have come as a result of six years hard work helping me establish Vickery & Company in this area, for which, I am very grateful. They will also help to provide the management assistance I will need as we expand further." Commented John Vickery.

Well done Nigel and Simon!

A RECORD TO BE PROUD OF

(NB: General Marketing includes: Standard of Presentation, Floor Plans, Colour Details, Office Location etc)

In order to monitor our performance we have analysed our last six months results to establish the reasons behind our clients decision to appoint Vickery & Company to act as their agents.

To say that we were pleased with the results would be a gross understatement. We found that almost 50% of our clients chose us because of previous good service, or on recommendation. So, a heartfelt thank you to those clients who have utilised our services on more than one occasion and to those who have recommended us to others.
