# OUR SERVICES

On receipt of your instructions we will begin immediate marketing, this includes:

## RESIDENTIAL PROPERTY LISTINGS

Brochures showing properties to let are available in all of our offices, so even if your property is in Lightwater, a tenant making an enquiry at our Fleet office would be advised that your property is available - ensuring maximum coverage for marketing purposes.

All properties will be advertised with photos and a floorplan.

## WEBSITES

Details of all available properties to let are advertised on the Vickery website and are updated daily. Properties are also available on selected property portals.

## BOARDS

Our 'For Let' and 'Let By' boards enable us to advertise your property 7 days a week, 24 hours a day.

## ACCOMPANIED VIEWINGS

An experienced member of our sales team will accompany every viewing at your property to ascertain whether the prospective tenants are suitable for the proposed tenancy.

## REFERENCING & RIGHT TO RENT

All our tenants will be referenced through a professional independent referencing agency.

## SERVICE OPTIONS

We offer a range of services to suit your requirements:

- Let Only
- Full Management
