ABOUT US

Vickery Residential Lettings was established in 1992. Our aim is to ensure that once a property is in our care it is let for the maximum amount of time and is looked after as if it were our own home. Much of our new business comes from recommendations made by previous or existing landlords and we would like to give you the opportunity to recommend us in the future.

OUR SERVICES

On receipt of your instructions we will begin immediate marketing, this includes:

RESIDENTIAL PROPERTY LISTINGS

Brochures showing properties to let are available in all of our offices, so even if your property is in Lightwater, a tenant making an enquiry at our Fleet office would be advised that your property is available - ensuring maximum coverage for marketing purposes.

All properties will be advertised with photos and a floorplan.

WEBSITES

Details of all available properties to let are advertised on the Vickery website and are updated daily. Properties are also available on selected property portals.

BOARDS

Our 'For Let' and 'Let By' boards enable us to advertise your property 7 days a week, 24 hours a day.

ACCOMPANIED VIEWINGS

An experienced member of our sales team will accompany every viewing at your property to ascertain whether the prospective tenants are suitable for the proposed tenancy.

REFERENCING & RIGHT TO RENT

All our tenants will be referenced through a professional independent referencing agency.

SERVICE OPTIONS

We offer a range of services to suit your requirements:

- Let Only
- Full Management
